

## IIM-Tiruchi upgrades facilities at govt. school

IIM-Tiruchi has implemented a development project at the Panchayat Union Middle School in Chinna Suriyur village in Tiruchi district. ■

### SPECIAL CORRESPONDENT TIRUCHI

Reaching out to the local community, the Indian Institute of Management - Tiruchi has carried out through Elixir, its Social Responsibility Club, a re-development project for Panchayat Union Middle School in Chinna Suriyur village.

Elixir teamed up with Pranyas Development Foundation, the donor, to install a water purification system, paint the walls, develop smart classrooms, renovate washrooms and provide benches in classrooms at a cost exceeding ₹3 lakh.

At a function to mark the formal dedication of the facilities to the school earlier this week, Rahul Sharma, founder of Pranyas Develop-

ment Foundation, exhorted students to develop the courage to dream about accomplishments and engaged them in activities to drive home the point that it was easy to destroy things but difficult to re-create them.

Reflecting on the initiative undertaken by Pranyas and Elixir, Director of IIM - Tiruchi Pawan Kumar Singh spoke of the impact of projects that were an outcome of a combination of good mind and heart.

Village panchayat president Shanmuga Sundaram joined the school head and teachers in expressing his gratitude for the initiative.

Students presented a cultural performance on the occasion.

### 13-MONTH PROGRAMME

## IIM-Tiruchy inducts PGCBAA batch

EXPRESS NEWS SERVICE @ Tiruchy

THE Indian Institute of Management (IIM) here recently inducted its third batch of the Post Graduate Certificate Programme in Business Analytics and Applications (PGCBAA). The 13-month programme is for those with work experience across fields wishing to study data deeper combined with analysis.

In the inaugural address, programme director Dr Godwin Tennyson gave context to the course by mentioning how we live in an era where data is everywhere. He then thanked the 113 participants, of whom more than 50 have an IT background, for recognising the importance of the programme, and wished them luck.

It was followed by an address by Dr Sanjay Salunkhe, Founder-MD, Jaro Education. As a CEO, he said that one will be the master of their domain but added that would they would also have to be the jack of all others.

The institute director, Dr Pawan Kumar Singh, emphasised the bottom line that all knowledge must have practical applications to make the best out of the gain.

Chief guest Pradeep Gulipalli, Co-Founder and Chief Delivery Officer, Tiger Analytics, gave a walk-through on the science of analysis. He also explored the different types of analytics like risk analytics and marketing analytics with the students to help them grasp the scope of the field.

## IIM-Tiruchi inaugurates third batch of PG course

SPECIAL CORRESPONDENT  
TIRUCHI

Indian Institute of Management, Tiruchi, inaugurated the third Batch of Post Graduate Certificate Programme in Business Analytics and Applications (PGCBAA) earlier this week.

The 13-month programme

is for professionals with work experience across fields who wish to study data deeper by framing meaningful questions and addressing it with analysis.

Of the 113 participants, more than 50 are from IT background, said Programme Director Godwin

Tennyson.

In his inaugural address, Pradeep Gulipalli, Co-Founder and Chief Delivery Officer, Tiger Analytics, said grooming talent in Artificial Intelligence was essential. Explaining the science of analysis, starting with data in numbers, audio, and

speech, he explained the how analysis was undertaken with statistics, heuristics, and visualisation.

Director of IIM Tiruchi Pawan Kumar Singh said learning happens as much because of teachers, colleagues and peers as from one's hard work and life experience.
