EXPRESS NEWS SERVICE @ Tiruchy

THERE appeared to be something for everyone at Indian Institute of Management's (IIM) 'Dhruva 2023', its flagship business and cultural festival which drew to a close after three days of packed activity, on Sunday.

Former CEO of Dabur Foods and Excelcia Kartik Kumar Raina's encouraging advice to be open to taking risks marked the inaugural ceremony on January 27. Stand-up comedian Biswa Kalyan Rath's performance was the perfect entertainer to end the first day.

Day 2 kicked off with a panel discussion with notable speak-

ers from the corporate world like Chandran Krishnan, Jagadeesh Kumar and Jofin Joseph as participants. A host of engaging events by various clubs and committees followed. The day ended with an electrifying DJ night by DJ Carnivore.

The concluding day of the event saw energetic stage performances that enthralled spectators. Singer Nikhil D'Souza's performance was the perfect event to draw the curtains on Dhruva 2023.

In the words of the students who witnessed the event, the campus resonated with "energetic vibes" during Dhruva 2023.
