Develop soft skills for a good career, experts tell management students

The Hindu Bureau
TIRUCHI

In an era of technology, soft skills like empathy and resilience will still make a candidate stand out in a crowded job market, said Charu Sheel Kunwar, executive director and chief human resources officer, Lighthouse Canton, a global investment firm.

He was addressing students at the 13th foundation day ceremony of the Indian Institute of Management – Tiruchi (IIM-T) on Thursday.

“In the dynamic landscape, success is measured not just by the knowledge you acquire within these walls, but also the skills you cultivate. Empathy and resilience are pillars of success. Resilience shields you from inevitable challenges that will come your way. Your ability to con-

nect with people and respond with empathy, will set you apart,” Ms. Kunwar said in her address.

‘Staying energetic’

Also speaking at the gathering, Anand Kripalu, MD and global CEO, Essel Propack Ltd., a global tube-packaging company, stressed on the impor-

tance of staying energised to ensure a sustainable career. “Careers are not sprints, they are marathons. You need to sustain your energy and that energy comes from your workplace, family, friends and the relationships you build,” he said.

ing the smaller towns of Tamil Nadu, Mr. Kripalu advised students to seek out grassroots experiences to learn how an organisation works.

“Excellence in your current job is the only thing that determines your next job,” he said.

IIM-T staff who completed 10 years of service were felicitated. Certificates of appreciation were presented to students who participated in the ‘Make a Difference’ project.

Pawan Kumar Singh, IIM-T director, also participated.
