82 **LAST WORD**

"Electrification of two- and three-wheelers has been a remarkable achievement, but achieving 100 per cent electrification by 2030 is critical to becoming the world's automobile champion."

—Amitabh Kant

COVER STORY 18

Air Chief Marshal V.R. Chaudhari with NCC cadets in Delhi

ABOVE AND BEYOND

In THE WEEK's Republic Day special issue, Air Chief Marshal V.R. Chaudhari talks about several important issues related to aerospace power by responding to questions curated by Air Vice Marshal Arjun Subramaniam (retd). He says the IAF has recognised space as the ultimate high ground for all operations

+

India is playing catchup in the military exploitation of space in a fragile global security environment

An area the IAF must concentrate on is acquiring offensive capability speedily
