## ENOUGH IS ENOUGH

The brutal rape and murder of a doctor in Kolkata's R.G. Kar Hospital highlights what little progress the country has made in ensuring safety for women

## COVER STORY

# A nation scarred

10/ The brutal rape and murder of a young doctor in Kolkata has jolted the nation's conscience again, just as the Nirbhaya case did a decade ago. The tragedy has also ignited a political firestorm in West Bengal. But the larger question remains: how do we stop the violence against women?
