Complete Personal Finance Guide

refreshed our iconic identity!

The 'arc of essence' in the familiar orange colour; now even more clearly highlights our storied legacy of discovering hidden 'pearls' from the ocean of stocks.

The small letters and modern font further improves approachability and relevance to the rapidly evolving world around us.

Our new deep refined blue colour more strongly reflects the professionalism, legacy, consistency and expertise that you know us for...

Editorial Principles

Value Research is an independent investment research company. Our goal is to serve our readers with data, information and knowledge that inform them about savings and investments and help them learn how to make better choices.

The basis of our work is the trust reposed in us by our readers. We are independent, fair and honest. We are committed to achieving the highest level of accuracy and impartiality in everything that we publish.

We recognise that the nature of our work is such that it influences decisions that affect our readers' future. We strive to bear this responsibility with humility. We recognise that while it is not possible to be 100 per cent accurate, it is possible to always strive to achieve that standard to the best of our abilities.
