A RIVER'S REVIVAL

The Yamuna, once a silent witness to the love story of Radha and Krishna, now struggles under the weight of urban neglect. In Delhi, it has become synonymous with pollution and filth. **Restoring the river is no easy task, but the Delhi government has set an ambitious goal of cleaning it within three years.** Whether the Yamuna can be revived from a glorified drain into the sacred river that shaped history remains to be seen.

PLUS

- ◆ A new chapter begins for Delhi's development—Sarbananda Sonowal, Union minister
- ◆ Bateshwar, a quiet town in rural Agra, once had 101 Shiva temples along the Yamuna; 42 still stand today

As a social phenomenon, I find 'Croissant Prashant' entirely fascinating and would love to meet him before he becomes history after creating a bit of it himself. What sort of a future awaits Ayush, once India's appetite gets satiated with Prashants, with or without toppings and fillings? How long can the joke carry on before the audience yawns?
