Complete Personal Finance Guide

I WILL NOT STOP.

Not because of a fall.
Not even if it hurts.
I know giving up is the easier option.
No one would be surprised if I did.
But I remind myself,
I signed up for this journey.
I knew it would take time.
That there would be moments of
pain, shock, and doubt.
When I started, I said I was ready for it all.
So why should I flinch now?
I will stay calm through the ups and downs.
I will remind myself why I started.
I will not let fear get to me.
I will honor my own commitment.
I will not stand in my own way.
The noise will fade.
But I will remain.
I will not be the average investor anymore.
I will not stop my SIPs.

Editorial Principles

Value Research is an independent investment research company. Our goal is to serve our readers with data, information and knowledge that inform them about savings and investments and help them learn how to make better choices.

The basis of our work is the trust reposed in us by our readers. We are independent, fair and honest. We are committed to achieving the highest level of accuracy and impartiality in everything that we publish.

We recognise that the nature of our work is such that it influences decisions that affect our readers' future. We strive to bear this responsibility with humility. We recognise that while it is not possible to be 100 per cent accurate, it is possible to always strive to achieve that standard to the best of our abilities.
