IIM-T releases first independently audited placement report

The Hindu Bureau
TIRUCHI

Over 150 companies, with more than 50 new recruiters across diverse domains have scouted students of the Indian Institute of Management - Tiruchi (IIM-T), in the placement season 2024-25, according to its first-ever independently audited placement report, that was released on Wednesday.

As per an official press

release, the audited report is a direct response to the increasing need for clarity and assurance among all stakeholders in management education. "By embracing transparency, IIM-T demonstrates to recruiters that they can rely on us for accurate insights into the capabilities of our students," said institute Director Pawan Kumar Singh.

According to the report, stipends of ₹3.5 lakh for

Post Graduate Programme in Management and ₹2 lakh for Post Graduate Programme in Management - Human Resources were respectively the highest amounts secured this year.

A total of 189 companies recruited during final placements for PGPM, and 40 companies for PGPM-HR, from information technology, consulting, banking, financial services, and insurance and government sectors.

IIM-T student bags highest job offer of ₹44 lakh

TIRUCHY: THE Indian Institute of Management Tiruchirappalli (IIM-T) has released its first independent audited placement report, marking a step towards transparency and credibility in its placement data. According to a press release the institute has introduced external verification of placement figures. The 2025 summer placement season witnessed robust participation, with 189 companies recruiting from the flagship Post Graduate Programme in Management (PGPM) and 40 companies hiring from the PGPM-HR course. The highest cost-to-company (CTC) stood at ₹43.94 lakh for PGPM and ₹33.12 lakh for PGPM-HR, while the average CTC was ₹19.27 lakh and ₹17.84 lakh respectively. Over 150 firms participated in the summer placement process till July, including 50 first-time recruiters representing sectors such as consulting, IT, BFSI, FMCG, operations, and the public sector. IIM Tiruchirappalli Director Pawan Kumar Singh said, "This audited placement report is a practice followed by only 2-3 IIMs in the country, and we have implemented it for the first time with an external agency." **ENS**

IIM-T releases its first independently audited placement report

TIMES NEWS NETWORK

Trichy: Indian Institute of Management Trichy (IIM-T) has released its first-ever independently audited placement report. An institute statement said this was part of its broader pursuit of excellence, reflected in its AMBA re-accreditation and 16th position in the NIRF 2025 rankings.

"This audited placement report is more than a milestone — it is a statement of trust. By embracing transparency, IIM Trichy demonstrates to recruiters that they can rely on us for accurate insights into the capabilities of our students," said IIM-T director Pawan Kumar Singh.

"Placements at IIM Tiruchirappalli are anchored in doing what is right, even when it is not easy. External auditing underscores our commitment to accountabili-

ty and data integrity," said placement chairperson Professor Abhishek Kumar Totawat.

"The 2024-25 audited report records another successful placement season. Over 150 companies participated in summer placements, including 50 new recruiters, while 189 companies hired from the PGPM batch and 40 from PGPM-HR. The highest CTC stood at ₹43.94 lakh (PGPM) and ₹33.12 lakh (PGPM-HR), with average CTCs of ₹19.27 lakh and ₹17.84 lakh respectively," the release added.

'National sample survey has helped shape educational policies'

The Hindu Bureau
THANJAVUR

Central University of Tamil Nadu Vice-Chancellor M. Krishnan has said that the national sample survey (NSS) results have opened up the higher education avenues for rural students.

Participating in the culmination ceremony of the year-long 75th anniversary of NSS held at NIFTEM-Thanjavur on November 15, Dr. Krishnan said that scientifically collected NSS data, combined with robust statistical methodologies, has significantly contributed to shaping policies that enhanced the participation of rural students in higher education.

He stressed on the importance of data-driven governance in ensuring equitable educational opportunities.

Addressing the gathering, G. Vishnu Raj, Direc-

tor, National Statistics Office (Field Operation Division), Madurai, said that NSS data had been a cornerstone in poverty eradication, formulation of targeted welfare schemes, and social sector policies.

Further, the digitisation of NSS operations and releasing of district-level granular data on a month-wise basis had made the NSS data more timely, tran-

sparent, and policy-relevant than ever before.

C.T. Vinu, Associate Professor, IIM Tiruchi, delivered the keynote address on "Data-Driven Decision Making: New Fuel for Public Policy" and it was followed by research presentations such as "Research and Innovation initiatives of Union Ministry of Statistics and Programme Implementation" by A. Shaheen, Senior Statistical Officer, Thanjavur, and on other topics by the academicians and research scholars from the CUTN, Lady Doak College, and AVVM Sri Pushpam College.

Winners of various competitions conducted during the 75th anniversary were felicitated by the dignitaries recognising and encouraging involvement of younger generation in national statistical initiatives, according to an official release.
